FIERY TRAILS HAYRIDE WAS A SUCCESS!

Thank you to everyone who donated items and/or volunteered. We could not have this yearly event without your help. The kids had a great time. Our attendance was the highest it has been in 14 years!

Many of you noticed, we had extra food & drinks. We will put it to good use. The drinks & desserts will be in the teachers lounge as a surprise from our wonderful T&C families. The hotdogs, chips & condiments will be used for a hot dog lunch day for the Upper School later this month.

GRANDPARENT'S DAY

This fun day is quickly approaching! On October 25, please plan on a grandparent or "special" person to spend the morning with your child. This event includes the lower elementary and middle school. There will be an assembly, photo booth, lunch and fun activities in the classroom.
